IT MARKET REPORT

2023 &
2024

PROJECT OWNER

Under the guidance of my supervisor, I played a key role in developing two IT Market Reports released at the end of 2023 and 2024. I designed and executed user surveys, collecting data from over 1,000 IT professionals and over 500 Employers. In addition, I conducted data analysis to uncover industry trends and drafted the report content. I collaborated closely with the design team to create visually appealing data visualizations that effectively communicated our findings.

EMPOWER GROWTH 2023

Google Partnership

Empower Growth – Vietnam Digital Talents was a joint initiative between Navigos Group (VietnamWorks), Google, and the National Innovation Center (NIC), providing 2,500 scholarships for final-year students and job seekers. The campaign included a scholarship program, webinars, office tours, and an internship program.

As part of the VietnamWorks x Google collaboration, I was responsible for executing the communication strategy, ensuring effective outreach and engagement across multiple platforms.

Content & Communication: Managed social media content and engagement for Empower Growth 2023 across VietnamWorks inTECH channels.

Marketing Materials: Created sales brochures to support employer outreach.

Event Support: Assisted in logistics and communication for Office Tours & Career Fair at Ho Chi Minh city.
